

**Friends of Caroline Hospice** has been serving the Beaufort community for 35 years.

Our Mission is to ease pain, anxiety and other symptoms surrounding a terminal illness.

FRIENDS will care for its patients wherever they call home and regardless of their ability to pay.

If your family or friends need help dealing with a terminal illness, whether it's how to take care of someone or how to cope with a loss, call us.

*You are not alone.*

Prior to Ken's diagnosis, we always looked forward to The Festival of Trees. As a part of the Beaufort community, we felt that Friends of Caroline Hospice must be an organization worth supporting ...but I know, now, that until you need them, you never truly understand what it's all about. Angels. It's about angels...
