FRIENDS OF CAROLINE HOSPICE

Friends of Caroline provides a dedicated team of professionals—physicians, nurses, certified nursing assistants, social workers, chaplains, and volunteers—at no cost to the patient, regardless of their economic status or where they call home. Our team provides encouragement, hope, support, and care to those living with a life-limiting illness and to their families and friends. Since 1980, *Friends of Caroline* has been caring for the Lowcountry community, providing care that treats the whole person, not just the illness.
